We are an equal opportunity organization with the intention to promote and broaden the diversity of our workforce ensuring South Africans of all races, gender and ability (disability) can be involved in the administration of netball. Therefore, all appointments are made in line with NSA's equity commitments. The federation is looking to appoint service providers as listed above on a 1-year appointment (1January 2027 – 31 December 2027).

The positions advertised will assist in ensuring that our national teams are a winning combination and proudly represent all the people of South Africa. Additionally, the service providers will collaborate extensively with the NSA Coaches and other High Performance support staff and are key to the world class functioning of the National Teams. The appointed service providers will report to the NSA Director of Coaching.
